Hi Kevin and Tim,

I hope this note finds you both well and enjoying a happy and healthy start to 2017.

I believe that (b) (6) mentioned to one (or maybe both) of you that I will be stepping in as the legal contact here at Trump for the Old Post Office property and I just wanted to take a quick second to say hello and provide you with my contact information in case you don't have it. I look forward to working with you both.

Best Regards,

Hi Paula,

It was nice speaking with you as well.

Could you please provide me with the security assessment referenced in number 12 of the attached MOA (I have highlighted the relevant language)?

I would really appreciate it if you could provide this as soon as possible; today is probably the last day I can speak with the decision makers here for at least a couple of weeks and I'd like to try and get their thoughts ASAP.

Thanks,

Also, I should note, the focus of a facility security assessment is physical security for the building itself [e.g. setbacks needed for high levels]. It does not, in and of itself, identify any recommended number of guards. Thus, it is not particularly applicable to the discussion we are having as the lens for it is different than the concern expressed. And, as noted, it was conducted pre-election and is dated November 3.

I spoke to (b) (6) just now and she confirmed that she is working on the additional “non-publicly available” documents with the goal of having something for you very soon.

Thanks,
